www.ababj.com, scocheo@sbpub.com Jan. 15, 2010 Watch ABA Banking Journ on Twitter for two clues

As long as there's been money, there's been someone out to get it illegally. This week's puzzle contains the names of 16 famous bank robbers, financial schemers, and others who have trouble telling their money from that belonging to others. In addition, we've hidden 9 common nicknames for money, often used by criminals. So, 25 words to find, total. **Special: There's a clue hidden in one of our new blog postings this week at www.ababj.com** Fax your completed puzzle, with name, bank, title, and e-mail, by 5 PM, Jan. 20, to 212-633-1165, to participate in a drawing for a \$25 Amazon gift certificate. Good luck! scocheo@sbpub.com
