You'll find many things in a bank vault. Our title comes from the 1950s *Twilight Zone* episode, "Time Enough At Last." In that story bank clerk Henry Bemis retreated to the vault each lunch hour to read in peace. It saved his life when "the big one" hit. But we won't say what happened next, in case you've never seen this classic. (Just don't drop your glasses, is all we'll say, when you leave the vault.)

Your assignment this week is to find 24 items that you might find in a bank vault or that are connected to a bank vault. And there are two items in the 24 that pay homage to that *TZ* episode.

Fax completed puzzle, with name, bank, title, and e-mail, by 5 PM, July 14, to 212-633-1165, to participate in a drawing for a \$25 Amazon certificate. (Please allow three weeks for e-mailed delivery to the e-mail address provided.) Good luck! scocheo@sbsub.com
