Money, indeed, wealth in any form, naturally attracts crime. There are “blue-collar” crimes and there are “white-collar” crimes, but in the end many criminals of both stripes get caught in the act—red-handed—hence this week’s puzzle title. An amazing number, though not all, of the crimes involving wealth can potentially involve banks in one role or another. Play detective for this week and search out **35 words or phrases** dealing with some kind of wealth-related crime. *Fax completed puzzle, with name, bank, title, and e-mail, by 5 PM, Feb. 15, to 212-633-1165, to participate in a drawing for a \$25 gift card from ABA’s Community Bank Prepaid Program. (Please allow four weeks for delivery.) Good luck! scocheo@sbpub.com*
