When people hear the word “bank” they generally think of two things: The traditional Greek temple building, and the traditional porcine coin storage device made of clay or otherwise. This is the second of a series of piggy bank puzzles. This week, your job is to detect which pair of these photos match each other exactly.

*Fax your completed puzzle, with name, bank, title, and e-mail, by 5 PM, Wednesday, July 19, to 212-633-1165, to participate in a drawing for a game from those made by Bananagrams. Good luck! [scocheo@sbsub.com](mailto:scocheo@sbsub.com)*

*“Summer of the Pig” continues next week. Don’t miss ABABJ Editor’s Report next week*

Matches are \_\_\_\_\_ & \_\_\_\_\_
