While piggy banks only look like pigs, money can also be held by a wallet, which can be made of pigskin. This week's puzzle continues this summer's piggy bank theme. But this time, instead of puzzling over pig pictures or porcine crossword clues, you're looking for 24 words or phrases dealing with objects with which people secret coins and/or currency on their persons or in their homes.

Fax your completed puzzle, with name, bank, title, and e-mail, by 5 PM, Wednesday, August 31, to 212-633-1165, to participate in a drawing for a game from those made by Bananagrams. Good luck! scocheo@sbpub.com
