**Wealth management, a business line for some banks, is a challenge for man in general.** To stay solvent and successful, we must manage what wealth we have. But we must also manage not to let our wealth manage us.

In the four quotes above about wealth, from *Bartlett's Quotations*, the words are in the proper order, but the letters have been scrambled. **Your tasks:** (1) Find the right order so the quotes make sense, and write them in the spaces below the quote. (2) And when you're done with that, put the number of the source of quote in the space next to the quote. (Four sources, in the box above, match four quotes. The others are there to confuse you.)

Fax your completed puzzle, with name, bank, title, and e-mail, by 5 PM, August 12, to 212-633-1165, to participate in a drawing for a \$25 Amazon gift certificate. Good luck! [scocheo@sbsub.com](mailto:scocheo@sbsub.com) [Watch ABABankingJourn on Twitter for two clues](#)
